Whoever said proofreading is easy?
Naps, not me I didn't! I'm so pleased
with my work I could cry. Now if only
I could go about all this a tad bit
faster, everything would be perfect!

So much for reading
the whole book
in one sitting
I'll just read
a chapter with me!

It looks
like Rick's con-
juncture was
spelt on...

The PRTines
walked into a
world in another
dimension that
was created by
the psychic
monster...

Check
out all the
high schools
here in LA
City...

The PT Team has
determined that
the young man is
probably a high
school student...

But it won't
be easy... We'll
have to probe
each school
very closely...

Since there's a
lot of dis-
cuss in each

That's
why I want
you to pose as
teachers and in-
filtrate every
school.

Precise-
ly...

I see
that way
we can be
completely
thorough.

You
can all go
as English
teachers

A pair
consisting of
one PC and PT
Team member
will go to each
school.

Every-
body...
...?

Let's
all get
along.

There,
and an-
other...

Why are
there so
many...?

We
didn't
like any
too...

Over
there so
well...

What kind
of school
is this...?

Being
surrounded
by so many
makes me
nervous.

But due to
so I see. No
wonder so
many are
gathered
here...

They have hard-
ly progressed
beyond infant
stage, but they
still can develop
if trained.

Who
is he?

They seem
to be his sub-
ordinates and
they all have
their own
powers!

Several
others are
gathered
around him!

I can't
read him
at all.

THOSE
EYES!

I-IT'S
NO
GOOD!

Her tele-
pathy is
on a whole
other level
compared
to mine!

She's
reading
everything
about
me...

This school
is crawling
with psychics.

And there
are two that are
slightly crazier...
stronger than
anybody in our
group...

Right,
what hap-
pened back
there...?
You were
drinking
toilette...

Yet I wasn't
able to read any-
thing about her.
Her power was
overwhelming.

I'm not
exactly sure
what kind of
powers he
has.

The
first
one's a
guy.

Is
that
so?

He had an
unpronounceable
giant up and
I couldn't
read him.

She was
able to
completely
read me...

The
other's a tele-
pathic
girl!

They say
that when
God's in
the ring,
he's no longer
human.

God it's really
a pretty cool
guy, but when
he steps into
the ring...

HE
TURNS
INTO A
FIGHTING
MACHINE!

THERE'S
SOMETHING
THAT IS
BURSTING
TO BRUISE!

Within
my
heart...

That
much I
know...

Most
beasts are
like that, I
guess...

Never-
theless,
I still
want
Fists
on.

Don't
you see,
Alec
—?

Mitsuo and I are in the same club...

Oh, didn't you know...?

What about you, why are you still here...?

Oh-oh, oh.

Going home late from being president, huh...?

How goes the b-b-training...?

I'm a super prodigy-

What's that...? That's not training now.

They perform lots of poses in gymnastics, after all.

But... for that's your idea.

I'm not up to no good, I swear!

Oh wait, now I'm at work!

Heheh... that smooth, huh?

I super prodigy, eh-? Not yet.

Wow, that's fantastic!

I'm not
mixed
up with
them.

Are you
mixed up
with Koo-
faretzu?

THEY WERE
BEHIND THE
YUKISHIRO
INCIDENT !!

There

THOUGH I DO HAVE
A SCORE
TO SETTLE
WITH THEM

Well,
they sure
do look
like pigs.

Aren't you
a member
of Inyo's
psychic
angst?

Man up
and quit
whining!

HYEEE!
They'll kick you, and
we too just for being
your buddy...!

Which
one of
you is
Shingo
Goda...?

It's no use
in the land of
some like
one's sleeping
up to be...

My power
is eter-
nity...

I can au-
thenticate
a knife as
the very
best...

I was a
pickpocket,
so maybe that's
why my power
has something
to do with
magic.

Well,
a knife's
still bet-
ter than
nothing!

You really saved me a lot of trouble by stoppin' by

You lot are Ros-Pemato, right? If you don't mind, I have a mountain of questions for you ..

That will be all!

under one condition...

However, we're willing to make an exception and give you what you want ..

But we Ros-Pemato answer to no one!

We know what you want to ask.

That's right. If you want answers, I suggest you do what we tell you ..

So unless I meet this condition, you'll never answer!
